

UNITED STATES DISTRICT COURT  
DISTRICT OF RHODE ISLAND

UNITED STATES OF AMERICA

v.

JASON BOUDREAU,  
Defendant.

Criminal Case No. 16-011-M

**ASSENTED TO MOTION TO CONTINUE SENTENCING**

The United States moves to continue the currently scheduled sentencing date for 60 days, to a date of the Court's choosing. Defense and Probation have both assented to this request.

In preparing for sentencing, the United States believes that there may be outstanding restitution requests from known victims. Although the United States took efforts to notify victims through the established process and request that restitution requests be submitted, due to the lack of responses from known victims who have customarily submitted requests, we believe that not all notifications may have reached victims. Therefore, the United States seeks additional time in advance of sentencing to ensure that all victims have been properly notified and given an opportunity to submit requests if they so choose.

Respectfully submitted,

AARON L. WEISMAN  
United States Attorney
